Riddhiman Roy

Email: riddhiman.roy@mail.utoronto.ca Phone Number: +1 (437) 987-4492

GitHub: riddhimanroy1010 Website: riddhimanroy.com

Research interests	Propulsion, Space Systems, Human Space Flight, Renewable Energy, Climate Change	
Skills	Spoken Languages — Fluent: English, Hindi; Spoken: Bengali, Spanish Programming — Proficient in: Python, LATEX; Familiar with: C, MATLAB, Java.	
Research experience	Predicting GHG emissions of light vehicle flee	
	- Computational model of greenhouse gas emission	_
	FLAME (Fleet Life Cycle Assessment and Material-Flow Estimation) written in R.	
	I received the ESROP-UofT grant worth \$6000 CAD and worked with Professors	
	Daniel Posen, Heather Maclean and Alexandre Milovanoff.	
	Trasitioning Qatar to Renewable Energy	May 2019 – July 2019
	- Studied sustainable engineering and renewable en	•
	at Brown University.	
	- Conducted land and climate analysis, wind turbine and solar panel evaluation, and financial estimates to design a plan for Qatar to transition completely from	
	Extracurricular	University of Toronto Aerospace Team (UTAT) August 2020 to Present
Experience	- Programmer on Project Dark Matter - computer s	
	namics from liftoff to main engine cutoff.	
	- Integrating NASA CEA through RocketCEA in python to expand the simulator.	
	Biomedical Engineering Competition (BMEC)	-
	- Placed 2nd out of 20 in a team of 4.	•
	- Designed 'Mediway' - an application to route ambulances across a network	
	of hospitals to reduce ER stress and physician burnout, the app's information	
	flowchart and the user interface.	
Education	University of Toronto (UofT)	Toronto, Ontario, Canada
	First Year, BASc in Engineering Science	August 2020 to Present
	American School of Doha (ASD)	Doha, Qatar
	ASD Diploma	August 2016 to May 2020
	International Baccalaureate Diploma Score: 41/45	August 2018 to May 2020
	The Village School	Houston, TX, USA
	Grades 7 & 8	August 2014 to July 2016
Training	Harvard University	Online
	CS50: Introduction to Computer Programming	May 2019 to December 2019
	Carnegie Mellon University - Qatar (CMUQ)	Doha, Qatar
	Summer College Preview Program	May 2019 to August 2019
	Classes in English, Calculus and Java	
	Brown University	Online
	Renewable Energy Engineering	June 2018 to August 2018
Teaching experience	Teaching assistant, Science Department, ASD	Fall 2019 - Spring 2020
	AP Physics 1: Advanced Placement Physics 1	
	- Worked with students through content of AP Physics 1 - Mechanics (translational	
	and rotational), waves, and electricity and magnetism.	
	- Duties included helping proctoring exams, lab assistance and stand-in for teacher	
	when absent.	
Other interests	Badminton (played for my high school), tennis, tab	le tennis drawing
